The 2011 Event

This marks the 26th anniversary of the Olde Charlestowne Sertoma Club's BBQ cooking competition. Last year several members of our Club and many of our Corporate Sponsors incurred financial difficulties so we took the year off. **This year the event will be held on Daniel Island on May 20-21, 2011, across from Publix.** The festival is a unique way to reach potential customers for pennies a person.

The Sertoma Club is an international community service organization that is dedicated to assisting people with speech, hearing and language disorders. Sertoma also sponsors community projects to promote freedom and democracy, to assist youth and to benefit a variety of other local community needs, as identified by the individual clubs.

The Olde Charlestowne Sertoma Club was founded in 1977, and has met continuously since its inception. The club is a community based service club which has contributed greatly to the Charleston area. Over the past 30 years our fundraising efforts have raised and given almost a \$1,000,000.00 to local charities.
